

Credit Policies

Effie recognizes the effective teamwork needed to create an effective case. You are required to credit all creative and strategic partners who contributed to the effort. Think carefully about your partners – clients; agencies of all types including full service, media, digital, promo, PR, events, media owners; etc.

COMPANY CREDITS

Space has been provided in the Entry Portal to credit a maximum of two lead agencies (1 required), two clients (1 required), and four contributing agencies (none required).

- You may credit a second Lead Agency and they will be given equal recognition by Awards South Africa. In order to be considered a second lead agency, you must certify that the work done by each agency was of equal weighting and each agency deserves equal recognition. Second Lead Agencies must be designated at time of entry – you may not add or remove second lead agencies after the entry period.
- If you are an advertiser submitting in-house work, please list your company as both the Lead Agency & Client. You may also credit any contributing companies who assisted with the effort.
- Please confirm the spelling and formatting of other company names to ensure they will receive proper credit in the Effie Index and in all forms of publicity if your effort is a finalist or winner.

INDIVIDUAL CREDITS

Primary Individual Credits (10 max.): Entrants may credit up to ten individuals from any of the credited companies who were integral to the success of the case. Individuals will be listed in the [Effie Awards Journal](#) and the [Case Database](#).

Secondary Individual Credits (10 max.): Entrants may credit up to ten additional individuals from any of the credited companies and these individuals will receive recognition in the [Case Database](#). Due to space restrictions, they will not appear in the [Effie Awards Journal](#).

CREDIT AMENDMENT POLICY

- **Effie’s policy is that those recognized on the work at time of entry deserve recognition at time of win. At no time will Effie permit individual or company credits to be removed or replaced after 23 April 2020.**
- Client & Lead Agency credits are final at the time of entry and cannot be removed or added after the entry is submitted.
- Credits must be thoroughly reviewed at time of entry by senior account leadership. All credits must be signed off by senior leadership on the “**Authorization & Verification Form**,” downloaded in the Entry Portal after credits have been added to the entry.

- Additional contributing company credits and individual credits can be added after time of entry only if the entry did not already credit the maximum number of contributing companies and individuals permitted. Credit additions and amendments will require an additional fee of **R3 000.00** per change and are not guaranteed. **No credit edits/additions are permitted after 23 April , 2020.**

All credit requests will be reviewed and accepted at the discretion of Awards South Africa and are not guaranteed.

entry contacts

Effie collects contact information at each credited company. All contacts, except the CEO/Top Marketing Executive Contacts, may be added to Effie's mailing lists, which can be unsubscribed from at any time. Contacts may be considered for an Effie jury. Individuals may be contacted about the submission at any time – the below explanations are examples of the most common reasons for contacting an individual; however, this is not an exclusive list.

credits & the effie index**THE EFFIE INDEX**

The Effie Index (effieindex.com), the global ranking of marketing effectiveness, uses the credits submitted at time of entry to tabulate the yearly rankings. Rankings include: Marketers, Brand, Agency, Independent Agency, Network and Holding Company. Below is some guidance on how the credits lead into the rankings.

- **If your case becomes a 2020 Effie finalist or winner, the submitted credits will be used to tally the Effie Index results. Because different point values are given to lead and contributing companies, it is critical that all brands and companies are properly credited at time of entry.**
- **We request that all entrants communicate with their own corporate/communications office and the offices of their credited partner companies and/or PR departments to ensure all client and agency company names are credited correctly. This information should be communicated to contributing companies as well.**

AGENCY RANKINGS

- Agency office rankings are compiled using the Agency Name, city and state as listed on the Credits Tab of the Entry Portal. Whether or not the city/state is included in the "Agency Name" field, the Index rankings will be based off of the location of the office using the city/state fields. Effie encourages consistency year-to-year.
- Be sure to guide all teams entering in the competition within your office to list the company name in a consistent manner – this includes consistent capitalization, spacing, punctuation, abbreviations, etc. This will ensure all finalist/winning cases from your office location can easily be tabulated together.

AGENCY NETWORK & HOLDING COMPANY RANKINGS

- Agency networks and holding companies are selected via a drop down in the Entry Portal.
- The way the agency name is entered in that field does not affect the Agency Network or Holding Company rankings, though it will be reviewed for accuracy.
