As you prepare your entry, you are encouraged to take advantage of all <u>entry materials & resources</u>. If you submitted work into last year's competition, you may also consider ordering an Insight Guide, which provides feedback from the judges who scored your case.

If you need more information, please contact us via email, we'll be happy to help

# **REQUIREMENTS**

The creative work and the written text of the entry must be the original work of the credited companies and authors.

# Sustained Success Requirement

Entrants must include work and results from the **initial year**, at least one **interim year**, and the **current competition eligibility time period** (the current competition eligibility time period is (01/02/24- 31/01/25). If presenting more than three years of success, provide results here for the full spectrum of years presented in the case and the creative examples.

Data must be isolated to South Africa. Work that ran after the cut-off period may not be submitted. Results that fall after the end of the eligibility period and are directly tied to the work submitted are fine to submit. Test efforts are not eligible.

Review all eligibility rules in the Entry Kit.

### No agency names (except in the credits)

Do not include agency names in the written case, creative examples (including file names), or sources.

## Use charts & graphs to illustrate your story

Entrants are encouraged to display data via charts & graphs within the limits allotted in each question. To insert charts & graphs in your responses in the <u>entry portal</u>, save each chart/graph individually as a .jpg image (700-900 pixels wide or tall recommended).

## No linking to external websites

Do not direct judges to visit external websites. Judges can only review the content provided in your written entry and creative examples.

### Source your data

All data included in the entry form must reference a specific, verifiable source.

### **TOP TIPS FROM JUDGES**

# Be clear, concise, compelling & honest.

Judges evaluate approximately 6-10 cases in a session – shorter, well-written entries stand out. Clear storytelling that connects every aspect back to the core idea and results will help your case stand out.

### Context is key

Judges may not work in your category and may not know your brand. Provide context to convey the degree of difficulty for your challenge & the significance of your results. The entries should show awareness of external factors that could have influenced campaign success or failure. Acknowledging these factors demonstrated a deeper understanding of the campaign's environment and context, which can add credibility.

## Speak to the entry category

Judges evaluate work on effectiveness in the context of the entered category. Be sure your stated goal and results align with the category definition.

### Tell a story

Write your entry with your audience, Effie Judges, in mind. Judges are looking for an engaging, clear story that links each section of the form together. Judges will be evaluating your work with a critical eye – address questions you think they will have.

## **Articulate strategic insights**

Clearly articulate strategic insights rooted in genuine business needs and consumer insights. Demonstrate why certain strategies were chosen and how they directly addressed the objectives.

## Effective use of data and metrics

Focus on a few key performance indicators directly linked to business outcomes, rather than presenting a wide array of metrics without clear relevance to the campaign's success.

### **Review**

Ask colleagues who do not work on the brand to review the entry. Ask what questions they have – what was unclear? Where did the case fall flat? Ask a strong proofreader to review the entry.

View additional tips from the Jury in the **Entry Kit**.

Provide a snapshot of the effectiveness of your case. The summary should be written as though it will be judged. Using at least three complete sentences, summarize the case and its goal. Indicate objectives and how the evidence of results directly relates to those objectives (concrete numbers or percentages vs. general terms like "record sales" or "big success"). Think of the case summary as a long tweet, mini-case, or an elevator speech.

The case summary will be published in the <u>Case Library</u>. It may also be used for promotional purposes and should <u>not</u> contain any confidential information.

(Maximum: 90 words)

# **Company Credits**

This information is not seen by judges. Effie will publicly celebrate all credited companies & individuals if your case becomes a finalist or winner.

Credits cannot be removed or replaced after the entry is submitted. It is critical that senior leadership reviews credits for accuracy. As confirmation, senior leadership is required to sign off on the Authorization & Verification Form, stating credits are accurate and complete.

Additions may be accepted if space is available. The process for amending an entry is time consuming and rigorous and will incur a R2,000.00 fee per request. No additions will be accepted after 11 June 2025. See the entry kit for full credit information.

All entries submitted from the same agency office location should list the "Agency Name" precisely the same way to ensure your office is recognized as one. Communicate with your corporate/executive team, PR department, and other teams entering this year's competition from your agency office to ensure you are entering each agency name accurately and consistently.
